Subject: Letter of Recommendation

I am writing to offer my highest recommendation for Pritish Khanna, who joined as a Business Development Intern and is now working as a Pod leader at Weekday. In this role, he manages a team while overseeing key business development initiatives. Since joining us a few months ago, Pritish has demonstrated exceptional leadership, initiative, and a commitment to excellence. His rapid progression within the company from an intern to a team leader in just two months is a testament to his remarkable abilities and work ethic.

I have had the pleasure of observing and guiding Pritish during his tenure, and I can confidently attest that he possesses exceptional skills, a strong work ethic, and a remarkable ability to lead. As a Pod Leader, Pritish has successfully managed the team, ensuring seamless operations and achieving impressive results. Moreover, he assures that his team remains motivated and aligned with our broader organizational objectives.

Given Pritish's proven track record, I am confident that he is dependable, hardworking, and professional individual. His positive attitude, work ethic, and genuine interest in learning make him a pleasure to work with, and I am confident that he will bring the same level of dedication and enthusiasm to his graduate studies or any other organization he works for. I have no doubt on his abilities and capabilities and I would take this opportunity to wish Pritish luck for all his future endeavors.
